

PROFESSIONAL SUMMARY

I am a final-year Mathematics undergraduate at Universitas Diponegoro with a 3.92/4.00 GPA. My primary interests are pure mathematics, especially real and complex analysis, graph theory, abstract algebra, topology, and combinatorics. I also have experience in university mathematics teaching, olympiad coaching, academic-content development, data analysis, and computational projects.

EDUCATION

Sep 2023 — Present	Universitas Diponegoro B.Sc. in Mathematics · GPA 3.92 / 4.00 Chair, UKM KOMIPA UNDIP (2025); teaching and tutorial experience in Real Analysis II; active in the Mathematics Student Association; ON-MIPA delegate and mathematics competition awardee.	ONGOING
Jun 2020 — Mar 2023	SMA Negeri 1 Sulang Mathematics and Natural Sciences · Final Grade 86.55 / 100.00 Earned regional and national mathematics awards, represented the school in OSN Informatics, and provided peer mathematics mentoring.	COMPLETED

RESEARCH & ACADEMIC WORKS

2026	Distance Spectra of Corona Graphs of Complete Graphs and Paths via Invariant Subspaces Desca Affajry Rais · Suryoto, S.Si., M.Si. Studies the distance spectrum of $K_n \odot P_m$ using block matrices, Kronecker products, and invariant subspaces.	DRAFT
2026	Connectivity of Int-Graphic Topology on Directed Graphs Desca Affajry Rais · YD Sumanto · Solikhin Characterizes connectivity of finite int-graphic Alexandroff spaces through minimal open neighborhoods and the out-neighborhood inclusion preorder.	DRAFT
2026	Modular Total Edge Irregular Labeling of Corona Product of Cycle C_4 with Path and Null Graphs The 16th ISNPINSA · Oral Presentation Developed explicit labeling constructions and established exact modular total edge irregularity strength results.	PRESENTED
2026	Inequality Problem Solving Book Desca Affajry Rais · Drs. YD Sumanto, M.Si. · First Edition · 174 pages Proof-oriented mathematics book covering inequality theory, rigorous proofs, worked examples, and exercises. The manuscript is complete; Indonesian Intellectual Property (HKI) registration is planned.	COMPLETED

PROFESSIONAL EXPERIENCE

Aug 2026 — Present	University Mathematics Tutor Tutorkuliah.id Tutoring in advanced undergraduate mathematics with emphasis on conceptual understanding and rigorous problem solving.	ONGOING
Jan 2026 — Present	Mathematics Olympiad Coach KOMIPA UNDIP University-level training in Real Analysis, Complex Analysis, Linear Algebra, Abstract Algebra, and Combinatorics.	ONGOING
Apr 2026 — Jun 2026	Teaching Assistant Asosiasi Matematika Terapan UNDIP Real Analysis tutorials, proof-oriented problem solving, and academic consultation.	COMPLETED
Dec 2025 — Mar 2026	Mathematics Item Writer SainsIn Authored quantitative-reasoning items, detailed solutions, instructional videos, and quality-control materials.	COMPLETED

Nov 2025 — Jan 2026	Data Analyst Emergencyy Call Data cleaning, SQL querying, Excel reporting, KPI dashboards, visualization, and workflow documentation.	COMPLETED
Nov 2025 — Dec 2025	Mathematics Item Writer SNBT.ID Authored high-difficulty Quantitative Knowledge and Mathematical Reasoning items with structured solutions.	COMPLETED
May 2025	Project-Based Virtual Intern · Data Scientist ID/X Partners × Rakamin Academy Built a credit-risk prediction pipeline using Logistic Regression and Random Forest.	COMPLETED
Mar 2025	Project-Based Virtual Intern · Big Data Analyst PT Kimia Farma Tbk × Rakamin Academy Built a BigQuery analytical table and a Looker Studio performance dashboard.	COMPLETED

LEADERSHIP & ORGANIZATIONS

Jan 2025 — Dec 2025	Chairman Mathematics and Sciences Olympiad Club (KOMIPA UNDIP) Led strategy, daily operations, olympiad mentoring, ON-MIPA delegation, and external representation.	COMPLETED
Jan 2025 — Dec 2025	Senior Staff, Education and Reasoning Department Mathematics Student Association, Universitas Diponegoro Delivered mathematics tutorials, educational content, and learning-material development.	COMPLETED
Feb 2024 — Jan 2025	Junior Staff, Education and Reasoning Department Mathematics Student Association, Universitas Diponegoro Coordinated Academic Delegation, mentoring for 100+ students, and received Best Junior Staff and Best Department Staff recognition.	COMPLETED
Oct 2023 — Dec 2024	Staff, Networking and Public Relations Department KOMIPA UNDIP Supported ON-MIPA selection, served as Mathematics Liaison Officer, and led UKM Roadshow 2024.	COMPLETED
2020 — 2023	Moderator, Mentor, and Board of Governor Brainly Progressed through multiple moderation and mentoring roles, including supervision of 29 apprentice moderators.	COMPLETED
2020 — 2022	Organizational Leadership Pelajar Islam Indonesia (PII), Rembang Served as Head of Organizational Development and later General Secretary of the Rembang Regional Board.	COMPLETED

COMMITTEE & VOLUNTEER EXPERIENCE

Facilitator Division Coordinator / Koordinator Divisi Fasilitator 27th Undip's Mathematics Competition · Jan 2025 — Feb 2026	Curriculum Division Staff / Staf Divisi Kurikulum LKMM-TD FSM 2025 · Jan — Oct 2025
Event Division Staff / Staf Divisi Acara Introduction, Gathering, & Adaptation Mathematics 2025 · Mar — Oct 2025	Event Division Staff / Staf Divisi Acara Industrial Visit Mathematics 2025 · Mar — Aug 2025
Equipment Division Staff / Staf Divisi Perlengkapan Math Action for Social and Education 2025 · Mar — Jun 2025	Public Relations Division Staff / Staf Divisi Humas Leadership Training FSM 2025 · Mar — Apr 2025
Event Division Coordinator / Koordinator Divisi Acara 26th Undip's Mathematics Competition · Mar 2024 — Feb 2025	Chief Executive / Ketua Pelaksana UKM Roadshow 2024 · Jun — Sep 2024
Volunteer Teacher / Pengajar Sukarela Mathematics Clinic 2024 · Aug 2024	Equipment Division Coordinator / Koordinator Divisi Perlengkapan ON-MIPA UNDIP Selection 2024 · Oct 2023 — Feb 2024
Mathematics Liaison Officer / Liaison Officer Matematika ON-MIPA Coaching Center 2024 · Feb 2024	

SELECTED PROJECTS

Feb 2026	Crowd Optimization and Smart Routing Strategy at Dufan Ancol Operations Research · Mathematical Modeling Applied M/M/s queueing, Little’s Law, greedy optimization, and knapsack concepts; proposed 14,000 daily visitors, a <45-minute waiting-time target, and 75% maximum utilization.	COMPLETED
Feb 2026	DMath Learning Mathematics Education · EdTech Ongoing mathematics learning platform for structured materials, guided practice, problem banks, olympiad preparation, and learning tools.	ONGOING
Feb 2026	Bike Sharing Analytics Python · EDA · Streamlit Identified weekday demand peaks, weekend casual-user behavior, and environmental drivers through end-to-end exploratory analysis.	COMPLETED
Dec 2025	Financial Anomaly Detection System Scikit-Learn · K-Means · Random Forest Combined unsupervised pattern discovery with supervised transaction classification.	COMPLETED
May 2025	Credit Risk Prediction Analysis SMOTE · Logistic Regression · Random Forest Analyzed 466,285 observations and reported Random Forest performance of 99.70% accuracy, 99.94% precision, and 99.46% recall.	COMPLETED
Mar 2025	Kimia Farma Business Performance Analysis BigQuery · SQL · Looker Studio Built a centralized analytical table and multidimensional performance dashboard.	COMPLETED
Mar–Apr 2025	Investment Portfolio Optimization Markowitz · Efficient Frontier · Sharpe Ratio Analyzed portfolio allocation across KLBFJK, HEALJK, and KAEFJK using risk–return optimization.	COMPLETED

SCHOLARSHIPS & TRAINING

Nov 2024 — Present	BSI Scholarship Inspirasi Batch 4 Academic and leadership scholarship with coaching, mentoring, professional workshops, and social-impact activities. Academic and leadership scholarship with coaching, mentoring, professional workshops, and social-impact activities.	ONGOING
Feb — Jul 2026	Coding Camp 2026 — Data Scientist Coding Camp powered by DBS Foundation Coding Camp powered by DBS Foundation	COMPLETED
Mar — Jun 2026	Microsoft Elevate Training Center Data Science with Microsoft Fabric · Generative AI with Microsoft Azure Data Science with Microsoft Fabric · Generative AI with Microsoft Azure	COMPLETED
Jan — Mar 2026	IDCamp 2025 — Intermediate Data Scientist Indosat Ooredoo Hutchison Indosat Ooredoo Hutchison	COMPLETED
Oct — Dec 2025	IDCamp 2025 — Beginner Data Scientist Indosat Ooredoo Hutchison Indosat Ooredoo Hutchison	COMPLETED
